

PRESENTATION PANEL METROPOL

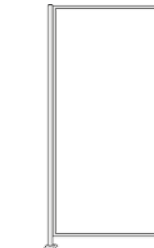

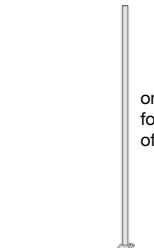

Presentation panels as add-on system in 5 designs:

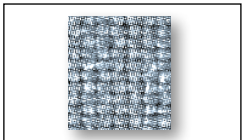

1. Punched-steel element: it is magnetically and allows for versatile accessory.
2. Whiteboard element: it allows for marker presentation on both sides or can be used as magnetic board.
3. Wooden element with textile covery: serves as an elegant separation and simultaneously absorbs sounds.
4. Acrylic element: it allows for visual protection in transparent look.
5. Acoustic element with noise-absorbing board, certified under DIN ISO 354 and ISO 11654.

The elements can be put in a linear position or an angled position (i.e. of 45°, of 90°, of 135°) irrelevant to lenght and combination. Both, fixed and movable panels, are able to be set up. At the end of the row a final support is always needed.

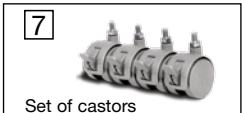

Dimensions: W 800 x H 1750 mm
Width of add-ons in total = width quoted + 55 mm.
